

ISO 9001 – 2000 and your company...

A World Class Seminar Offered By KWTC

KWTC

Kentucky World
Trade Center

This is your opportunity to learn about ISO 9001- 2000 from one of the top authorities in the world. Ron Jerasa is a Co-founder and Senior Partner for ei Quality Consultants Inc. He is responsible for all ISO 9000 implementation operations and quality training activities including auditing services for the company. Ron is a certified ISO 9000 Lead Auditor by Lloyd's Register Quality Assurance, (LRQA) a subsidiary of Lloyd's of London. He is also a member of the committee which is revising the ISO specs for ISO 9001 – 2008.

If your company is not currently ISO certified, this is your opportunity to learn:

- What is ISO 9001 – 2000?
- How can it help my company address a broad range of issues including:
 - Operational efficiency
 - Product quality
 - Customer satisfaction
 - Profitability
 - Innovation management
 - Expanded business opportunities – particularly in supply contracts to international governments and companies, US government agencies, and US defense contractors.
- What is involved in achieving and maintaining ISO certification?

If your company is already ISO certified, this is your opportunity to learn:

- What kinds of changes will appear in the new ISO 9001 – 2008?
- What are my company's obligations to upgrade to the ISO 9001 – 2008 if we want to maintain certification?
- What is involved in upgrading to ISO 9001 – 2008?
