Featured Speakers:

Patrick McLaughlin

Americas International Manager – East Americas, UPS Freight Forwarding (Supply Chain Solutions)

As Americas International Manager, Patrick McLaughlin assists in the responsibility for growth of UPS Freight Forwarding business development for transportation (Air, Ocean, Customs Brokerage) in the Midwest USA, Northeast USA, and Eastern Canada on a global basis. Prior to joining UPS, Mr. McLaughlin held positions at Emery Worldwide and Menlo Worldwide. He has held various local International Managers positions in Cincinnati, OH and Chicago, IL prior to becoming a Regional International Manager in 2004.

Kathleen Burns

Business development Manager East Area– UPS

Ms. Burns is a licensed Customs Broker with over 20 years of experience in the industry. During the course of her customs brokerage career Kathleen has held a variety of positions in operations and sales in the United States and Canada; including managing former Menlo's customs brokerage operations in Buffalo, NY, Montreal, Fort Erie, and Ottawa. A recent assignment of Kathleen's was to administer UPS's Project Management Process which consists of implementing new business into the UPS system.
